VOLUME 1

GEORGIA STATE WOMANS COLLEGE, VALDOSTA, GA., NOVEMBER 14, 1934

NUMBER 1

Privileges Granted Honor Students

GIRLS ON DEAN'S LIST ALLOWED OPTIONAL CLASS ATTENDANCE

What has been previously known as the Honor Roll at the Georgia State Woma College has been given the new name of Dean's List. Although the qualifications are more strict now than before, there has been added an incentive in the form of an optional cut system for its members. The old system required only that a girl have a general average of 4.5 quality credits, that is, two B's and an A at least. No reward was offered the girls but the publication of the list.

Under the new system, to quote from the Georgia State Womans College catalogue for 1934: "Students in the upper ten per cent of their class who are pursuing at least a normal program of work and are approved by the faculty may receive honors each quarter." By working in this manner each girl is competing with the members of her own class for recognition, and not with the student body as a whole or with herself alone. The reward has been instigated by Dr. Reade, not only to induce the girls to work, but to allow the student in the upper ten per cent of her class to select the study upon which to devote her attention at a certain hour. It is not to encourage absence from class, but rather to facilitate study for the conscientious student, and will be immediately withdrawn if abused.

The Dean's List for this quarter has been drawn up under the old system instead of the new. It is merely a revised honor roll of the last quarter of last year, carrying a new name and new laurels. Beginning next quarter the regular Dean's List will be in operation.

The students representing the upper ten per cent of the Georgia State Womans College at present are the following: Seniors: Carolyn Brim, Sasser; Helen Carter, Valdosta; Winnie Davis, Valdosta; Emily Fluker, Quitman.

(Continued on Page Four)

ART CLUB EXHIBIT

During the past week a group of modern water color paintings has been on exhibit in the library. The exhibit includes the work of Dr. Charles J. Martin's class in water color painting at Columbia University.

This exhibit, which will go from G. S. W. C. to Wesleyan next week, is an admirable example of one of the more recent trends in modern art,—the intellectual approach.

Two of the most striking facts about this exhibit are the strength of the work and the fact that the color is arbitrary, but not disturbing to the feeling of rightness.

The exhibit marks the change of modern art from the more abstract to that which the student can understand.

The exhibit was sponsored by the art department and the Fine Arts Club, and is the first of a series of projects to be undertaken by this club.

POET SPEAKS TODAY

Dr. Anderson M. Scruggs, well known Atlanta poet, read several of his poems in Assembly this morning. Dr. Scruggs was brought to Valdosta by the Wymodausis Club, and will address the club this afternoon.

Dr. Scruggs was born in West Point, Georgia, but he is now living in Atlanta, where he is professor of histology and embryology at the Atlanta-Southern Dental College.

His greatest period of productivity has been since 1928. He has had poems in several of the nation's leading magazines. He is represented in the 1929 *Anthology of the Poetry of Georgia*, and Thomas Moults' *Best Poems of 1930*. He is also a member of the Atlanta Writer's Club, and won the annual poetry prize of the Club in 1929.

Dr. Scruggs read several of his better known works to the student body this morning, interpreting them to the group in his own inimitable manner.

Swimming Pool and Dormitory Assured

P. W. A. PROJECT ALSO INCLUDES GYMNASIUM EXTENSION

From present indications, actual work on the new buildings which are to be constructed with money borrowed by the University System of Georgia from the Public Works Administration should begin not later than the first of the year.

The proposed plan includes the erection of a new dormitory at an approximate cost of \$70,000, and the building of a swimming pool and gymnasium extension at a combined cost of approximately \$15,000. The dormitory, which will be erected south of Ashley Hall and in line with Converse and Ashley, will contain fifty-six rooms. The swimming pool will be sixty feet long, thirty feet wide, and ten feet deep under the board.

The size of the gymnasium extension will depend on the amount of money available after the two other projects are completed. It is believed that the addition will be not less than forty feet wide, eighty feet long, and sixteen feet high. This room will be simply built but will serve a number of purposes. As a temporary auditorium it will seat six or eight hundred; for indoor basketball it will be amply large. Details concerning a stage, dressing rooms, and so on, have not yet been worked out. Part of the present gymnasium may be used for physical education and health offices.

Work will be rushed on the swimming pool and gymnasium extension in the hope that they may be ready for use during the spring quarter. Final plans have been approved and have been forwarded to Washington. Edwards and Sayward, Atlanta architects, expect to complete their drawings within the next week or ten days, after which time contractors will be asked to submit bids on the various projects.

WORK ON YEAR BOOK IS BEGUN

Immediately after her election as Editor-in-Chief of the Pine Cone, Elizabeth Larisey began to put into operation her plans for the year's program. In view of this fact work is now running smoothly along and hopes are being entertained at Georgia State Womans College for the best annual ever produced.

The Freshmen and Sophomore pictures have already been taken and by the end of next week all work on individual pictures is expected to be finished. Everyone is urged to do her part here and in every other possible way to facilitate and simplify matters for Miss Larisey and her staff.

The Staff of the 1935 Pine Cone of Georgia State Womans College will be: Editor-in-Chief, Elizabeth Larisey; Business Manager, Louise Ambos; Assistant Business Manager, Virginia Kirkland.

Advertising Manager, Grace Lahey; Literary Editor, Estelle Roberts; Snapshot Editors, Marjorie Groover and Helen Claire Varndoe.

Activities Editors, Annie Belle Weatherford and Eleanor Bailey; Art Committee, Winnie Davis (Chairman), Frances Garbutt, Mary Askew, Frances Hinson, Nellie Mae Gannon, Joyce Tipton, Willene Roberts, Anne Turner.

Students Vote to Revise Honor Code

NEW SYSTEM DIRECTED BY STUDENT-FACULTY COMMITTEE

The students of the Georgia State Womans College have discarded a Student Honor System which they themselves realize has not for some time been functioning as it should and have replaced it with a System of Faculty Control with student cooperation. The present system applies only to class room, quiz, and examination procedure, and with the intellectual integrity of the students.

At the first assembly hour this fall, Dr. Reade said that, after talking with a number of the students, he was sure that the Honor System, under which dishonesty on class room and examination work was supposed to be reported by the students themselves, was not working, and asked the girls to submit a plan which would be acceptable to them so that he might present it to the faculty. He outlined briefly several systems which are in operation in various colleges.

The following rules and regulations were submitted by the student body and were approved by the faculty:

1. Dishonesty of any sort on home work, class room work, quiz, or examination, shall make a student liable to dismissal from the college.

2. No student is expected or required to report any other student. This responsibility rests with the faculty.

3. Faculty members will remain in

(Continued on Page Four)

Dr. W. A. Smart Will Pay Annual Visit

The Y. W. C. A. is very fortunate in securing Dr. Smart, Professor of Theology at Emory University, for November 18, and 19. For fourteen years he has visited our campus, and the student body looks forward to his annual visits with increasing interest and pleasure.

Dr. Smart will give his first talk at eleven o'clock on November the 18th. He will speak again at seven o'clock that evening. The service on November 19th will be held at seven-fifteen o'clock. These three services will be the only congregational meetings which Dr. Smart will conduct while on the campus. However, he will be glad to have personal conferences with any student. Miss Mary Elizabeth Weatherford, president of the Y. W. C. A., will be glad to assist any girl in arranging a conference at any time on Monday. It is generally felt that much inspiration may be gained from discussion so it may be that Dr. Smart will hold an open-forum on Monday afternoon if all of his time is not taken elsewhere.

Throughout the year the Y. W. C. A. hopes to bring many interesting off-campus speakers to the students and hopes, too, that these visitors will be of some benefit to the girls. It is a pleasure to assure the students that Dr. Smart will soon be with us as the first of these off-campus speakers. While at Emory University, he has influenced not only the students of his own college, but also many other students on various campuses of the South. The opportunity of hearing him speak is one of which all young people should take advantage, for he is in sympathy with the younger generation and feels that they can and will succeed. Plan to be present at his services and, if possible, make arrangement for a conference.

Y. W. C. A. TALKS

In a recent magazine article, Dr. Joseph K. Hart, of Vanderbilt University, stated what he thought to be the five main interests of the younger generation. The Y. W. C. A. has taken these five topics and built a series of talks around them. The first talk was given by Dr. Lena J. Hawks on October 25 on "What is There For Me to Do in the World?" Dr. Hawks

PUBLICATIONS AND PROGRESS

A Century of Progress Exposition has just closed in Chicago. It was erected to mark the milestones along the road to progress during the past century. In like manner, the first edition of this newspaper is marking a milestone in the progress of our institution.

Until this year the publications of the Georgia State Woman's College have been limited to a monthly magazine, *The Pine Branch*, and an annual, *The Pine Cone*. While both of these publications received high honor ratings, there was still no medium for recounting the latest events. The news published in *The Pine Branch* was necessarily late news, and *The Pine Cone* was primarily a year book. However, with the inauguration of a weekly newspaper, there is now on campus adequate means for various types of literary expression. *The Pine Branch* is now purely literary, with the best of student literature in the quarterly numbers, and *The Pine Cone* retains its preeminence as an annual.

An entire renovation has taken place in the literary life of the campus. To-day the girl who is interested in journalism may find her medium in the newspaper, while the girl whose medium is poetry and fiction may find her outlet in *The Pine Branch*.

One of the most important improvements is found in the fact that the news is now up-to-date. The interesting events that occur during the week are written up during that week, while the news is still news.

This paper only marks the beginning. While it is new, and we are very proud of it, it lacks a great many of the characteristics that we want it to achieve finally. As the college grows—so will the publications grow—and as it is largely through its publications that a college grows, a cycle is formed with the possibility of a newspaper playing an outstanding role in our progress.

So we progress. Not only through our buildings, our faculty, our innovations, but through our publications, which play so important a part in our campus life.

THE OPEN FORUM

Quite frequently our students suggest reforms that are helpful in their nature. For this reason each week a space will be provided on the editorial page for the publication of letters that are written either by the students or faculty, on campus problems.

It is to be understood that no anonymous contributions will be considered. However, the name of the author will be withheld by request—provided that the letter is signed to the editor.

It is the custom of college papers throughout the country to conduct columns where the students may voice their opinions on matters pertaining to religious affairs, student government, social life, athletics and other phases of campus activity. That is our purpose in instigating this column in our paper.

The campus opinions box which has been in the hall of the administration building for several weeks was placed there to receive student thought and criticism. The open forum on the editorial page will serve the same purpose. Girls who wish to suggest changes and improvements should address their letters to the editor.

something must have happened to

waltz's time . . . That everything

must have an ending—so until next

week!

CINEMA CYNIC

Like historical pictures? I suppose you will go to bank night tonight anyway, but when you do you will see Deitrich glorifying that lordly lady—Catherine the Great of Russia. Von Sternberg experiments with lighting, setting, and sound to produce in the *Scarlet Express* a startling, fantastic, and unusual picture. The photography is outstanding; and if you like glamour, beauty, power, or technique you'll find them all here, combined with a lot of good acting.

Mrs. Wiggs is here but she is not Mrs. Wiggs! Sounds a bit contradictory, eh what? That, however, is just what I mean. It is a splendid production but not our old Mrs. Wiggs of the *Cabbage Patch* over whom we all poured years ago. No matter what you think you will have to admit Pauline Lord to the first per cent rank of actresses with ZaZu Pitts close behind. Don't let me discourage your week-end attendance to the Ritz for it IS a good show but you just won't find your old friend Mrs. Wiggs there.

There's a bit of light but delightful comedy, insanity, catchy music, and good dancing at the Palace, Monday, Tuesday, and Wednesday called *The Gay Divorcee*. Hollywood has found a new team in Fred Astaire, foremost male dancer, and Ginger Rogers with her lilting feet, peppy personality and beauty, who promise much. It's nice entertainment.

Quarters or dates, or even two dimes for the afternoon. If you have either, take them to see *What Every Woman Knows*. It's a Barrie idea and as usual, very good. That Englishman about whom we've heard so much because of his work on the legitimate stage with Cornell in *The Barretts of Wimpole Street* and with Ann Harding on the screen, in *The Fountain*, appears in it with the winsome Helen Hayes. Brian Aherne has already arrived, but as the studious John Shand, husband of a loving little wren (Helen Hayes) and lover of the beautiful and glamorous Lady Sybil Tenderden (Madge Evans), who undergoes 'What Every Woman Knows', he breaks down the barriers set up by those few who have not so far liked him.

They had a 'most beautiful figure' contest in Hollywood the other day and petite Jean Parker, not Mae West, won it. Also did you know, that Joan Crawford has started, and Das Deitrich has followed, the fad of having white, and only white, flowers in great banks around their houses? They probably form a nice setting for a lovely and striking picture, but I'd still want my red, red roses and my bright yellow chrysanthemums. Wouldn't you miss them? Did you all see Henry Wilcoxon as Antony in *Cleopatra* last week? I hope so, for he made the Dean's List with flying colors then. He will probably bear watching as Hollywood enthusiasm is pointing his way and he has plenty to feed it.

Let us hope that our old darling 'The Little Colonel', will not be lost to us as was Mrs. Wiggs when it is produced. The series has been purchased for Shirley Temple and I for one shall start saving my pennies for it. Such a combination should make the best picture of the times. Not dramatic perhaps, but so filled with poignant memories for us all, lovely with Shirley, and fiery with Loyd Sherman that we'll love it.

More entertainment for the week, you say? Well, Wednesday you may see *Grim Justice*, Thursday and Friday more justice in the *State vs Eleanor Norton* at the Palace, both dramatic I understand. Oh, yes, and then you may go West at the Palace Saturday with *Thunder over Texas State*. Remember when we all used to go to see Tom Mix, Buck Jones, Ken Maynard, and the rest every Saturday with the same regularity with which we went to school on the other days? Ah, me!

NEW FACULTY MEMBERS

There are three new names on our faculty roster for this year: Dr. Frank R. Reade, Marian Farbar, M. D., and Miss Daisy Daniel.

Dr. Reade, a graduate of the University of Virginia, and for the past eleven years professor of English at the Georgia School of Technology, is acting as executive dean of the college while Dr. Jere Pound, president, is on a year's leave of absence.

Dr. Marian Farbar is our first resident college physician; and Miss Daisy Daniel is head of the department of Home Economics, and dietitian.

More space will be devoted to each of the above new additions to our faculty in subsequent issues.

Dr. Harold Gulliver was the principal speaker on last Monday morning when the sixteenth anniversary of the armistice was celebrated.

THE SOCIAL WEEK

PERSONALS

Former Georgia State Womans College students who were pledged by sororities at the University of Georgia include: Margaret Joiner, Griffin, Kappa Delta; Dorothy Andrews, Plains, Kappa Delta; and Eva Martin, Arlington, Delta Delta Delta.

Of much interest to the students and faculty of the Georgia State Womans College is the news of the enrollment of Miss Louise McMichael at The Neighborhood Playhouse in New York City. Miss McMichael was an outstanding member of the class of 1933, and a member of the Sock and Buskin Club.

A large number of Valdosta girls attended the Georgia-Florida game in Jacksonville on November 3. In this group were Cleo Barber, Lillian Bragg, Mary Ellen Cordes, Louise Elrod, Elizabeth Greene, Leila Mae Tyson, Lucille Tyson, Margaret Zipplies, Vangie Trimble, Mildred Ogles, Broun Hutchinson, Mary Perry, Jessie Langdale, Estelle Roberts, Mary Lois Hitch, Lucille Murphy, Caroline Parrish, Leila Urquhart, and Virginia Ingram.

Miss Helen Claire Varnedoe attended the annual Hallowe'en dances of the Sigma Chi Fraternity at Emory University in Atlanta.

On Tuesday evening, October 30, the Sock and Buskin Club gave a shower for the stage in the Play Production room in West Hall.

Miss Emily Woodward of Vienna, former president of the Georgia Press Association, was a visitor on the campus week before last.

Last Saturday evening marked the third of a series of dances at G. S. W. C. These dances were held in the Gymnasium of the College. The chaperons for the occasion were Dr. and Mrs. Harold Gulliver.

A great deal of attention was focused on Atlanta last week-end because of the Tech-Auburn game, and the concert given by Lawrence Tibbett. Students from G. S. W. C. who attended either or both of these events included: Misses Margaret Carter, Ray City; Ethlyn Massey, Jesup; Una Ritch, Jesup; Henry Kate Gardner, Camilla; Marguerite McCall, Tampa, Florida; Mary Thomas, Jesup; Shelly Sparks, Fitzgerald; Clara Davis Adams, Moultrie; Ruth Hatcher, Moultrie; Ardis Rafnel, Moultrie; and Alexa Daley, Dublin.

Misses Mildred Turnbull, Ruth Jones, Mary Askew, Carol Forrester, and Myra Hackett were present at the dedication of the Moultrie airport last week-end.

Miss Margaret Kennedy, former student of G. S. W. C., who is teaching in Pavo, was a visitor on the campus last week-end.

Dr. Joe Durrenberger was called home last week on account of the death of his father. The student body, through *The Campus Canopy*, extends to Dr. Durrenberger its sincere sympathy.

Dr. and Mrs. R. H. Powell and daughter, Miss Betsy Powell, of Athens, Georgia, were guests on the campus this week. Until two years ago, Dr. Powell was President of Georgia State Womans College. He is now Dean of the Coordinate College at Athens.

Miss Caroline Parrish, able, efficient secretary-recorder, has been busily engaged for some days past at reading "The Hunting of the Snark."

Regent S. H. Morgan, of Guyton, Georgia, chairman of the finance committee of the Board of Regents, visited the College last Saturday morning.

STUDENTS GIVE TEA

The Student Government Association entertained for the faculty and students Wednesday, November 7, with a tea in the Rotunda of Ashley Hall.

Greeting the guests at the door were Misses Carolyn Brim, Virginia Sheppard, Emma Ambros, and Ruth Jones.

Miss Henry Kate Gardner, of Camilla, President of the Association, and Miss Esther Smith, of Sycamore, vice president of the Association, presided at the tea table.

Those serving were: Misses Clara Davis Adams, Carolyn Cook, Carolyn Greene, Shelly Sparks, Manelle Vincent, Camille Rycroft, Barbara Hatcher, Evelyn May, and Wynelle Spell.

KAPPAS WIN FIRST BALL SERIES

The second but deciding game of fist ball between the two athletic associations was played Tuesday afternoon. A two out of three series is played each year, but as the Kappas have won both games so far the decision is made for this season. Only two games were necessary to-day to give the game to the Kappas. Led by Manager Permelia Oliff, the Kappas ran up scores of 20-17 and 20-18 against their ancient foes, the Lambdas.

Officials for the fist ball game were:
Kappa Scorer: Dr. Phelan
Lambda Scorer: Clara Davis Adams and Myra Hackett
Referee: Miss McCree.

LAMBDA VICTORIOUS IN AMERICAN BALL

The tie was broken Tuesday by a Lambda victory in American ball. Due to lack of practice lately both teams were a little off their games, but each girl fought her best for her association. The first game of the season was a tie, and as they lost the second to the Lambdas, the Kappas have lost all hope of winning the series but may bring the season to a close with a tie by a victory in the last game.

Ruby Harrison was the scorer for the winning team, making all three points. She kicked a one point goal early in the second quarter; Turnbull retaliated in the third quarter with a one point kick for the Kappas; Harrison then sent the ball past the Kappa goal-keeper for two points only a few minutes before the game closed. Odom was perhaps the outstanding player and the three Lambda half-backs, Smith, Ritch, and Weatherford, shared honors.

Officials were:
Referee: Miss Ivey
Umpire: Dr. Phelan
Scorers: Mr. Stokes and Mr. Dunsenbury
Linesmen: Four Kappas and four Lambdas.

COLLEGE GIRLS

Headquarters

SPORTS

On Friday, November 2, a meeting of the Athletic Club was held to discuss some of the plans for this quarter. The meeting was presided over by Miss Leonora Ivey, director of the physical education department, and Annie Belle Weatherford, of Savannah, president of the Lambdas. It was decided that the old girls might remain members of the Athletic Club if they showed some definite interest in either organized sports or campus games such as golf, archery, tennis and deck tennis. A chart was provided for those girls interested in campus games, so that a definite record might be kept for the purpose of awarding merits to those students who have kept up their interest throughout the year. The Freshmen this quarter are considered only as pledges. As the end of the quarter those girls who have made a C average and have taken an active interest in sports become either Kappas or Lambdas, according to the bid which they received at the athletic party at the first of the year.

Don't be surprised, if in a few weeks, you should see goats running wild on the campus. A "goat contest" is to be held between the Kappas and the Lambdas, the object of which is to get each other's goat. For instance, Una might ask Patsy to play tennis; so to even the score Mildred would be able to challenge Leonora to a one-sided game.

The archery range is being overrun by feminine Robin Hoods. The girls are showing a decided interest in this sport and many are fast becoming proficient. Before one is allowed to take the equipment out alone, one

must pass an examination testing her ability to take care of the said equipment, to nock arrows, to draw, sight, aim, loose and score. The new girls who have successfully passed this examination are: Doris Young, Lucille Wurst, Lois Hafford and Elizabeth Ward. Those girls qualified to teach are: Chappie Bragg, Clare Lawson, and Lorene Johnson.

STUDENT GOLFERS

Through the courtesy of the board of governors of the Valdosta Country Club, students of this college will be allowed to play golf at the Country Club without paying any fees other than caddy fees. It will be necessary, however, for you to apply to Miss Ivey or Miss Chandler for one of the free permit cards issued by the secretary of the club; present this card when you register for golf, and return it to the college so that it may be used at another time and by other students when desired. As many as sixteen students, making four foursomes, may be in play at any one time. The Country Club officials ask that students not use these permits on Saturday afternoons, which is a congested period for regular paying members.

SIEBERT FOR KINGERY

Professor L. R. Siebert, of the Georgia Tech faculty, has been chosen as secretary to the Regents, in the place of Andrew Kingery, who recently resigned from that position.

Those who knew Mr. Kingery, including the G. S. W. C. girls to whom he spoke last spring, wish him the best of luck. No matter what his new position, he will always be a good friend to the University System. Mr. Siebert was born in Quitman and grew up in Valdosta. The College hopes that he will come home again soon,—and see us.

DR. W. A. SMART WILL PAY ANNUAL VISIT

(Continued from Page One)

stressed the fact that determination and preparedness are most important in choosing one's life work, and that they should be cultivated during a college career. On November 5, Dr. Marian Farbar spoke on "What is My Relation to the Opposite Sex?" During her talk she gave an explanation of the problem which is often in the minds of young people.

FRESHMAN OFFICERS

The installation of the members of the Freshman Commission took place at Vespers on last Sunday evening. Miss Mary Elizabeth Weatherford, president of the Y. W. C. A. welcomed the members. After each girl had lighted her candle from that of the president, the pledge was repeated in unison.

The purpose of the commission is to better acquaint the Freshmen with campus activities, and to make them a vital part of the Y. W. C. A. Those chosen were: Ruth Loughridge, Ruth Bunn, Manelle Vincent, Alvata Carter, Katherine Moore, Barbara Hatcher, Myrtle Parker, Carolyn Greene, Ruth Williams, Lois Dickerson, Kitsie Smith, Annie Laurie White, Winifred King, Wynelle Spell and Harriet Rogers.

STUDENTS VOTE TO REVISE HONOR CODE

(Continued from Page One)

the room during quizzes or examinations.

4. That the system is one of Faculty Control in no way relieves the student of responsibility for her own personal integrity.

5. If a faculty member believes a girl to have been dishonest, he will require her to appear before a Student-Faculty Committee for trial.

6. The Student-Faculty Committee

PRIVILEGES GRANTED HONOR STUDENTS

man; Henry Kate Gardner, Camilla; Marjorie Groover, Quitman; Grace Lahay, Valdosta; Elizabeth Larisey, Valdosta; Virginia Sheppard, Savannah; Annie Belle Weatherford, Savannah; Mary Elizabeth Weatherford, Savannah.

Juniors: Cleo Barber, Bainbridge; Amanda Barksdale, Blakely; Josephine Daniels, Ludowici; Clara Louise Driskell, Surrency; Louise Hardy, Quitman; Broun Hutchinson, Valdosta; Ruth Jones, Thomasville; Ola Lee Powell, Valdosta; Camille Rogers, Newton; Doris Young, Valdosta; Mary Alderman; Pavo.

Sophomores: Emma Ambos, Savannah; Lillian Bragg, Savannah; Leila Callender, Valdosta; Mary Nell Carlisle, Valdosta; Martha Gay, Quitman; Josephine Joubert, Savannah; Marguerite McCall, Tampa, Florida; Permelia Olliff, Quitman; Marian Reid, Homer; Pearl Wilson, Cordele.

shall be composed of three students, chosen by the student body, and three members of the faculty, appointed by the Dean. The President of the Student Government shall be ex-officio a member of the committee.

7. This committee will investigate the charges, examine the evidence, and determine whether the accused be guilty or not guilty as charged. A vote of five of the six will be necessary to find the student guilty.

8. If the student be adjudged guilty, she will be dropped from the course with a grade of "F", her name and the details of the case will be made known to the student body, and her parents will be notified.

9. If the same student is again found guilty of dishonesty during her stay at G. S. W. C., she will be dismissed from the college.
